

Workshop and Product Disclaimer:

All trades, patterns, charts, systems, trading strategies, etc., discussed in this workshop and the product materials are for illustrative and educational purposes only and not to be construed as specific advisory recommendations. No system or methodology has ever been developed that can guarantee profits or ensure freedom from losses. No representations or implications is being made that using \$harpeCoach products, services, or trading systems will generate profits or ensure freedom from losses.

Investments or strategies mentioned in this workshop, including any handouts, may not be suitable for you. This material does not take into account your particular investment objectives, financial situation, or needs and is not intended as recommendations appropriate for you. You must make an independent decision regarding investment or strategies mentioned in this workshop, including any of the handouts. Before acting on information in this workshop, you should consider whether it is suitable for your particular circumstances and strongly consider advice from your own financial or investment adviser. Investors should be aware of potential risks involving options trading, including losses beyond 100% of capital invested, and are advised to consult with an investment professional.

Terms of Use:

Your use of these educational materials indicates your acceptance of these disclaimers and agree that I am solely responsible for my trading results. I also agree that I will use the information learned in this class for my private use (personal or business) and are not to be taught, sold or marketed publicly without the express written consent of \$harpeCoach LLC and Whitman Asset Management LLC.

In addition, you agree to hold harmless, Mark Boucher, Midas USA LLC, Zenophon Trading LLC, Charles Whitman, SharpeCoach LLC and Whitman Asset Management LLC, Dominic Boire, DGB Investing Inc, Van Tharp, International Institute of Trading Mastery Inc, Van Tharp Institute, Kevin Howard, personally and collectively for any losses of capital, if any, that may result from the use of the information.
